

Corrigendum for Tender ID No. 109454

Date: 10.03.2017

Corrigendum to the notice inviting online tenders for construction of APPCB Office complexes at Tirupati dt. 10.03.2017

Ref: NIT.No.02(Tirupathi)/APPCB/Bldg-General/2015 dt. 01.01.2017

The following are the changes in the above Tender notification. The tender document can be down loaded from <http://tender.apecurement.gov.in>

Page 13 of Bid document : In the Qualification criteria for the opening of the price bid, Point A subpoint b, c & d shall be read as below instead of the points uploaded in the bid document (Same qualifications that are given @ point No. 3 sub point 1.b, 1.c, 1.d & 1.e in pages No.5 & 6)

The Bidder Tenderer should have satisfactorily Constructed / Completed an RCC framed multistoried structure during the last five financial years i.e from 2010-2011 to 2015-2016, preferably with Government Departments as mentioned below.

1. The firms shall have experience in the construction of the following:

- A. RCC Framed multistoried structure with Stilt Floor / Ground Floor Plus a minimum of three Upper floors.
AND
- B. RCC Framed Structure with Basement (s)
or
- C. Any RCC basement Structure like Liquid Storage Tanks etc. of minimum Capacity of 0.5 Million Litres.

2. Since the proposed APPCB Building is designed as a Green Building which involves periodic auditing by the Green Building Certification Agency at site, throughout the period of construction, the firms shall comply with the requirements of the Green Building Certification Agency throughout the period of construction and shall fully cooperate in this regard. The firms shall consider the above cited requirement while quoting the price bid. No extra amount shall be payable by the Board as a separate head on account towards this requirement.

3. The firms shall submit IT returns along with the Bid document, failing which the firms will be disqualified.

4. The firms shall have tie-up with quality control laboratories i.e. recognized laboratories, laboratories of Government Engineering Colleges or Polytechnic Colleges, in case not having their own quality control laboratories.
