Inviting applications for Research Fellowship in the Field of Environment

Andhra Pradesh Pollution Control Board (APPCB) as part of its Research Fellowship Scheme to encourage research scholars to undertake research in the field of environment relevant to the state of Andhra Pradesh is inviting applications from the interested Research Scholars.

The candidates who have qualified in UGS-NET (or) GATE or APSLET are eligible to apply for the APPCB Research Fellowship. The candidate must register themselves for Ph.D. program in the Govt. Academic Institutions/Institutions of National Importance and other Govt. Research and Development (R&D) Institutions located in the state of Andhra Pradesh or Institutions of National Importance engaged in research located in the common capital Hyderabad.

Prescribed application form and details of fellowship are available in the website of APPCB i.e., www.appcb.ap.nic.in

Interested qualified applicants can apply for APPCB Research fellowship within a month time.

Member Secretary

APPCB, Vijayawada.
